D3's workflow bots automate manual workflows, reducing hours to minutes, returning **value** to your team the **instant** they are installed.

- > Send notification emails after files are released
- > Upload BOM information to Access, SQL or an ERP
- > Create reports in Excel for purchasing and vendors
- > Publish drawings to PDF
- > Auto-sign drawings upon release based on user
- > Export files to DWF, IGES, SAT, STL, and more
- > Print shop orders with drawings on the backside
- > Update web portals (Sharepoint) with released files
- > Custom solutions to automate your workflow
